Newbury Town Council Meetings

We carry out our business through the work of four main Committees, which all meet in public.

Details of these meetings are displayed on the notice board outside the Town Hall and on our web site.

The **Council** sets the precept and delegates the rest of its powers to its Committees:

The **Planning and Highways Committee** comments on planning applications and highway matters in the Newbury Area.

The **Policy and Resources Committee** is responsible for the financial, human and property resources of the Council.

The **Community Services Committee** is responsible for the maintenance of property assets and the provision of direct services to the public.

The **Art and Leisure Committee** promotes and co-ordinates arts and leisure facilities and activities for the community.

Grants Newbury Town Council awards grants to community organisations, leisure and the arts. For further information visit our web site at www.newbury.gov.uk, call us on 01635 35486, or come along to the Town Hall.

THE PRECEPT AND HOW IT WILL BE USED

NEWBURY TOWN COUNCIL provides public services to the residents of the town of Newbury. We deal with local issues in the Parish of Newbury, as shown on the list on the right

To do this we raise our own form of Council Tax, which is known as the PRECEPT.

This is collected on our behalf by West Berkshire Council and shown separately on your Council Tax bill.

The illustration shows how this years average Band D charge will be divided across our different services

For the 2007/2008 financial year, Newbury Town Council is raising a precept of £777,709. There are 13,598 households within the Newbury Town boundary, graded across Bands A–H. An average (Band D) household charge will therefore be £64.73 for the year

In 2006/2007 the Band D charge was £63.59, in 2005/2006 it was £62.06 and in 2004/2005 the charge was £59.50.
