MAYOR OF NEWBURY'S FUNDRAISING SUCCESS!

The Mayor of Newbury has achieved remarkable fundraising success, raising over £1,000 since being elected for the role less than 2 months ago for his chosen charity West Berks Foodbank.

This was accomplished through a combination of community donations, a coffee morning, and a bingo night, showcasing the generosity and community spirit of local residents. Cllr Andy Moore, the Mayor of Newbury, expressed heartfelt gratitude to everyone who contributed, emphasising that the funds will significantly support the Foodbank's mission to provide essential supplies to families in need. West Berks Foodbank, which relies heavily on local support, will benefit greatly from this influx of donations, enabling it to continue its vital work in combating food poverty in the area.

GREEN FLAG AWARD WON FOR BOTH VICTORIA PARK AND FOR CITY RECREATION GROUND FOR ANOTHER YEAR!

Victoria Park has once again been awarded 'Green Flag' status for 2024/25, recognised by the Green Flag Award Scheme as one of the very best in the world. The Town Council received the Award for Victoria Park for the first time in 2019.

In addition, we are very proud to announce that the Green Flag Award has also been awarded to City Recreation Ground, which was first awarded last year after a successful submission by Newbury Town Council.

The prestigious Green Flag Award is the recognised mark of a quality park or green space and demonstrates to the public that the Park boasts the highest possible environmental standards, is well maintained and has excellent visitor facilities.

Cllr Vaughan Miller, Chair of the Council's Community Services Committee said, "We are absolutely delighted to retain this award for Victoria Park and so pleased to have succeeded in winning Green Flag status for City Recreation Ground for a second year. We are pleased that we have been able to re-introduce football at Victoria Park for youth teams. The football pitch has had significant investment and improvements over the last year we had a very successful first season with a number of youth games being played. We were also thrilled to introduce the new outdoor exercise equipment to Victoria Park earlier this year, which has proved to be very popular!"
