Public Report to Civic Pride, Arts and Culture Committee

4th July 2022

Agenda Item 7: Mayor's Drive & Tea Party

BACKGROUND

The Mayor's Drive and Tea Party is a community event which has run since 1947 on the first Wednesday of July. It provides those aged over 75 the opportunity to be driven through the countryside by a volunteer to a venue, given afternoon tea and driven back home again.

The main organiser of this event since 1985 has been Angela Spellman along with a huge number of volunteers who help with the organisation. The event is financially supported by the Mayor's Benevolent Fund.

Due to the Covid-19 pandemic, this event hasn't taken place since 2019.

Ambitions were in place for the event to take place in 2022 after the 2 year break. The first step in the organisation process is to ensure there are enough volunteer drivers available for the event to take place. Angela, and her team of organisers has set a target of a minimum of 50 volunteer drivers to make the event viable to go ahead. However, after more than 100 invitations sent to former volunteers, out of 70 responses only 32 of those were positive responses who wished to participate. With time constraints in place, this meant that the decision was made that there would be no Mayor's Drive in 2022.

Following this decision, the organisers then had the opportunity to have a further discussion on the future of the event. After delivering the event for more than 35 years, the organisers have seen how the town has developed, the way community organisations deliver their practice to support residents and have been observant to a number of factors which contribute to the success of the Mayor's Drive & Tea Party. These factors include the age of volunteers (with some being older than the guests attending the event), the need for new equipment to make the event run, safeguarding concerns regarding DBS requirements, increased cost of fuel resulting in less interest, and the declining numbers of volunteer helpers, drivers, and guest attendance over many years. Feedback from the organisers also cited that the pandemic has still played a part in 2022's response rate, as both guests and volunteers still have concerns about Covid-19.

It was after much deliberation that the organisers decided that the Mayor's Drive had run its course and the organisers did not want to pursue the event moving forward.

While this is very sad, the organisers felt that now was a good time for the event to finish following the 2 year hiatus, as getting it back up and running was proving difficult. Angela wrote to all former volunteers, guests and venue hosts to notify them of the news and to thank them for their help and support over the years.

Newbury Town Council would also like to thank Angela Spellman, Sue Kitchener, Empire Café and all other key organisers and volunteers who have played a vital role in making this happen over the years, creating many fond memories for guests, volunteers and former Mayors.

NEED FOR REPORT

As the event has come to an end, this was met with sadness from many but it also means that the Mayor's Benevolent Fund's charity aims need to be reconsidered as the Mayor's Drive & Tea Party was one of their aims.

There have been discussions about the potential for Newbury Town Council to host this event or for Newbury Town Council to host a different event with similarities to the Mayor's Drive, but there are many factors that need to be considered.

The Mayor's Drive & Tea Party relied very heavily on the community and good-will of volunteers who were willing to commit their time, money, and resources to the Mayor's Drive & Tea Party. Newbury Town Council had very little involvement in the organisation of the event. The roles that were fulfilled by volunteer organisers were, but not limited to:

- Arrange the venue for the Tea Party in the grounds of a large country house.
- Invite volunteer drivers to participate in the event.
- Invite guests to the event, including visiting them at their home.
- Assign guests to volunteer drivers, working based off location
- Ensure drivers had all the details of the guests they were attending to
- Organise the afternoon tea boxes
- Help pack the afternoon tea boxes and transport them to the venue
- Work closely with the home-owner of the venue to ensure positioning of gazebos, tables, signage, cars, first aid, toilets.
- To set up the gazebos, toilets, hot water stations
- Put up signage on approach roads to the venue
- Man the entry gate, recording cars, drivers and guests as they arrived
- Hand out afternoon tea boxes to all guests, including special boxes for those with dietary requirements.

Newbury Town Council supported this event by funding from the Mayor's Benevolent Fund, arranging medical cover and providing gazebos and hot water flasks.

Unfortunately, Newbury Town Council does not have the resources, infrastructure or funding to take on the organisation and running of this event in its current form.

OPTIONS CONSIDERED

Options for alternative events have been considered, including moving the event to Victoria Park, however the same logistical issues regarding transport, safeguarding, volunteers, equipment become an issue.

While Newbury Town Council don't have the resources to host the event, it is recommended that we would be in support of a community organisation who wished to run a similar event. We would be able to support in a similar way financially, providing that the event would be of a similar cost to the Mayor's Drive and Tea Party, but we wouldn't be involved in the organisation or administration.

Mayor's Festive Afternoon Tea

In December 2021, the Civic Manager worked with the Mayor of Newbury to host the Mayor's Festive Afternoon Tea in St Nicolas Church Hall. This event was organised, administered and run entirely by Newbury Town Council and had the support of Councillors who volunteered on the day. We welcomed 50 guests for an afternoon of Christmas music, bingo, games and afternoon tea.

While this event was a great success, there were limitations to growing this event further to the scale of the Mayor's Drive. All guests were required to make their own arrangements to and from the venue, guests were limited to 50 due to venue size, invitations for guests were made via a public call out to the Newbury Weekly News, where readers were able to contact the Civic Office to express their interest in attending. Councillors were also offered first opportunity to recommend guests to attend the event; this was taken up by one councillor.

The cost of this event was just under £1000 for venue hire, afternoon tea and prizes for the games; the cost was very similar to that of the Mayor's Drive and Tea Party and fully funded by the Mayor's Benevolent Fund. With the event foundations in place, this would be an event that could be done again, and would be happy to host again, however if it is due to expand, resources need to be considered including a larger venue, volunteers and afternoon tea boxes.

CONSULTATION

The Chairperson and the Civic Manager met with the organisers, Angela Spellman & Sue Kitchener, to learn more about their decision taken. If any community group wished to take on the organisation of the event, they both recommend that the event is not taken on in the current format as it has been running.

The organisers said that an event with a similar scope to the Mayor's Festive Afternoon Tea would work moving forward as an event which the Town Council can host, however anything involving the organisation of transportation would lead to further difficulties.

FINANCIAL

The Mayor's Benevolent Fund has been the sponsor of this event every year, and has provided the funds for the Mayor's Drive & Tea Party. This charity account is kept separate from Newbury Town Council's accounts.

It's important to note that much of the cost of putting on this event was absorbed by the kindness of our community, including the use of a venue for free and subsidised costs for the afternoon tea boxes. Trying to replicate a similar event is likely to cost more from the Charity.

If Newbury Town Council were to host an alternative event, or a community group wanted to host an alternative, the Mayor's Benevolent Fund would not be able to offer more than £1,500 per annum. This is a similar cost to that of the Mayor's Drive & Tea Party.

RECOMMENDATION

To approve the recommendation that the Council would support any community organisations who wish to come forward to host The Mayor's Drive or a similar event.

To approve the recommendation that Newbury Town Council explores a new event opportunity within the scope of our resources if no community groups come forward.

In our invitation this year, we let schools know that we were be willing to be flexible with the dates we have provided and that we are willing to work with their schedule for a visit to take place.

The only institution to RSVP is Newbury College. They have expressed an interest in getting 2 visits from Newbury Town Council in October.

The secondary schools below yet to respond:

- Park House
- St Barts
- Trinity
- St Gabriels
- iCollege
- Castle School

At the time of writing this report, Members of the Local Democracy Working Group have been encouraged to visit the secondary schools to learn more about the structure of their Student Councils and Head Student Team arrangements. As part of this visit, they will be taking a printed letter from us to remind them about their offering.

As part of further engagement with secondary schools and young people, the route that is being progressed is to start an engagement and communication with each school's Student Council team, and their Head Student Teams in sixth form. With these already established groups, we could try to build a network with young people through these means as they are representatives of their peers and the school. To gauge further idea of how we would work together, it's important that we take the time to research more about each school's Student Council structure and how they operate, this could then feed in further to how we engage with young people moving forward.

Agenda Item 9: Silver Anniversary Celebratory Reception Report

On Friday 1st April 2022, Newbury Town Council hosted a celebratory reception at St Nicolas Church Hall to recognise the 25 years since the Town Council was formed.

The event was modelled on the one which took place in 2017 for the 20th Anniversary, with the 25th Anniversary Working Group wanting to use the event as an opportunity to showcase what the Town Council have done to support the community.

To achieve this, the working group created a timeline for Town Council successes from the past 25 years which have impacted the local community. This included news articles and photos. Thank you goes out to Jo Day & Joyce Lewis for helping laminate all the content and putting it on the display.

All Former Councillors and Officers who have been involved with Newbury Town Council were invited to the event along with representatives from key partner organisations. There were around 90 people in attendance on the night.

The evening struck a nice balance between having formalities of the Mayor making a speech and then allowing plenty of time for guests to socialise and mingle with others in the room. The current Mayor, Cllr Billy Drummond was the only person to deliver a speech on the evening.

Those in attendance enjoyed the opportunity to catch up with others and enjoyed looking at the display that had been put together. A musical interlude was provided by St Bartholomew's School String Section who were fantastic. A finger buffet was provided by Sainsburys which was of very good quality, and a glass of prosecco or orange juice was given to all guests upon arrival.

The event was finished by 9pm, and all guests were invited to sign the guest book upon leaving the venue.

The event was well received by all and thanks are extended to all Officers and Members, especially of the NTC25 Working Group, who worked hard to bring the event together.

The display content will be reused for the Heritage Open Day in September as well as additional Town Hall Open Day events where the public are welcome to visit the Town Hall.

Agenda Item 14: Baby Loss Awareness Week Report

Context

A request was submitted to the Newbury Town Council contact form from a member of the public asking the Council if they would be interested in supporting Baby Loss Awareness Week.

The request has been put for the Council to consider illuminating Newbury Town Hall in pink & blue colours to support the initiative.

Catherine Kelly, a volunteer with the Forget Me Not Fund (Hampshire Hospitals Foundation Trust's baby loss charity) has made Officers aware of Baby Loss Awareness Week, which is taking place during 9th – 15th October 2022.

This year marks the 20th Baby Loss Awareness Week and the milestone is being backed by more than 100 charities and organisations who are illuminating their buildings to raise awareness of the key issues around pregnancy and baby loss in the UK. By raising awareness, the charity are hoping to break the taboo of baby loss and also encourage the call for more tangible improvements in policy, research, bereavement care and support for this topic.

Last year, more than 200 iconic landmarks, municipal buildings, hospitals bridges and stadiums across the UK were lit up in pink and blue to support the campaign.

Within the request, Officers were notified of the global Wave of Light an initiative which takes place at 7pm – 8pm on 15th October which is an internationally recognised Pregnancy and Infant Loss Awareness Day.

Options Considered

We managed to arrange the up lighting of the Town Hall in March 2022 to show solidarity for Ukraine. This required use of Town Hall electricity and required someone present at all times to ensure health and safety.

If this were to take place, it would be recommended that the Town Hall is lit as part of the Wave of Light initiative on 15th October 7pm – 8pm to ensure that the building is monitored.

Financial

The cost of lighting up the Town Hall would need to be explored. We would consult the cost with the company who provided the up lighting for March 2022.

The cost of an Officer to supervise would need to be factored, considering 15th October is a Saturday and overtime payment would be based on receiving time and a half.

Civic Pride, Arts and Culture have a £500 project fund which could be used to fund this project.

Recommendation

To approve the recommendation that Newbury Town Council participates in the Wave of Light as part of Baby Loss Awareness Week 2022.

Agenda Item 16: Queen's Platinum Jubilee Beacon Lighting

On the 2nd June 2022, Newbury Town Council took part in lighting a beacon to celebrate Her Majesty's Platinum Jubilee.

Beacon Lighting events were taking place across the country for this special occasion and it is estimated that Newbury was one of 2000 beacon lighting events taking place on this day.

National guidance was provided to light the beacon at 21:45pm which is when sunset would take place. With commemorations taking place late in the evening, to give the event more of a community focus we intended to have Newbury's beacon lighting event include community choirs and children's funfair rides at the event to build up to the commemorations. We arranged for the Victoria Park Kiosk to remain open and for the Wharf toilets to stay open until late in the evening.

The event was very well marketed, with a good portion of the event budget going towards event promotion with Newbury Weekly, Round and About and Muddy Stilettos.

The event was also supported by Kennet Radio who provided sound requirements and the PA System.

The event began at 7pm, with entertainment in the evening from Sing for Fun, VoxFresh, VoxSonix and Newbury Rock Choir until 9:20pm. From 9:30pm, beacon lighting commemorations took place which included a piper and bugler performing specially composed music for the occasion, a speech from the Mayor and the beacon being lit by the Town Hall Officer which was in the centre of Victoria Park Pond.

There were a few inconveniences on the day. Unfortunately, on the day the funfair was unable to be present due to their vehicle breaking down on the M4 on the way to the event; however, this did not affect the event too much as there was a larger fun fair based on Faraday Road.

There was also confusion regarding the Wharf Toilets which were closed for a short period of time during the event for which we didn't realise that this was due to them being cleaned. This resulted in miscommunication with the public about which toilets were available nearby.

The budget for this event was £1,500. On reflection, more budget for this event could have been considered to make provisions for portaloos, staging and lighting.

Newbury Sea Cadets also had 10 volunteers who supported the event by assisting with stewarding and raising money for the Mayor's Benevolent Fund and the Mayor's chosen charities. They handed out Jubilee pin badges, Union Jack flags and encouraged the public to get photos with our card board cut out of The Queen. This was a great success and they

raised over £300. At the time of writing this report, the Mayor is due to visit the Unit to thank them for their efforts.

A special thanks needs to be extended to all the Councillors who volunteered as stewards on the evening, as well as our Town Hall Officer for lighting the beacon and supporting the set up and pack down of this event.

Overall, the event itself was a success. It was estimated that around 500 people were in attendance for the beacon lighting ceremony, with lots of people slowly arriving to the Park during the event build up which really brought the community together.

Agenda Item 17: Civic Awards 2022 Report

The 2022 Newbury Town Civic Awards were launched in the middle of January 2022. A press release launched the awards, and the Newbury Town Council website was updated to allow for online nomination forms to be completed. In addition, advertising of the awards included letters & emails to charities and leisure organisations, posters in notice boards and bus stops as well as social media posts highlighting each award.

Nominations were open for 4 weeks when we received the following nominations:

- Newbury Town Civic Award – 9
- Young Persons Civic Award – 0
- Business Civic Award – 4
- Environmental Contribution Civic Award – 4

Nominations for the Young Persons Civic Award were extended by 48 hours, with one nomination coming in. At the end of the nomination period, we had **18** award nominations, one more than 2021's awards.

Despite our best-efforts contacting schools, youth organisations, clubs, churches and going through mayoral letters that were previously sent to young people; it was disappointing that the Young Person's Civic Award only received one nomination which was received during the extension period. It's worth considering how we can promote this award further and would be open for any new ideas on how this could be done.

Judges were the Mayor of Newbury, the Chairperson of the Civic Pride, Arts and Culture Committee, and Alison Drummond, Operations Manager at the Newbury BID. Judging took place online via Zoom; while all nominations were very strong this year, judges were unanimous in their decisions for award winners.

All nominees were invited to the Town Hall to the Civic Awards Presentation Evening on Wednesday 16TH March. This would be the first time the Civic Awards would be hosted as a stand-alone event, as it has previously been hosted with the Annual Town Meeting.

The winners of the awards were as follows:

- Sukey Russell-Hayward, Newbury Town Civic Award
- Soorya Anbumurasoli, Young Person's Civic Award
- The Globe Pub, Business Civic Award
- Tony Hammond, Environmental Contribution Civic Award

All winners were present to receive their awards apart from The Globe Pub who were on a staff retreat. They sent the Civic Manager a video which was played at the event which went down very well with the audience.

The format of the awards as a stand-alone event worked very well. With around 50 people in attendance in the Council Chamber; the awards themselves took around 30 minutes leaving plenty time for networking and the buffet afterwards. The event finished at 8:45pm.

Feedback from the event has been very strong. With good feedback, and only minor technical issues which weren't noticeable to the public, I was very happy with the outcome of this event and the format of how it worked.

One observation that will have to be taken into account is the amount of space in the Chamber. In the future, if we receive more nomination or would like to extend the invite list to the award nominators or more dignitaries we would need to consider an alternative venue to meet the capacity of attendance.

I would strongly advocate for the Civic Awards to continue as a stand-alone event moving forwards.

Date considerations for 2023 would be as follows:

- Nominations Open – Monday 30th January 2023
- Nominations Close – Sunday 26th February 2023
- Awards Take Place – Wednesday 15th March 2023

Agenda Item 18: Mayor Making 2022 Report

Mayor Making took place on Sunday 15th May 2022. The Ceremony was held in the Corn Exchange followed by a Civic Service at St Nicholas Church, and a reception held in St Nics Church Hall.

Following last year's event, this was the first Mayor Making event that the Civic Manager has let without any Covid-19 restrictions.

Planning for 2022's event began in February, working collaboratively with the Corn Exchange and St Nicolas Church to make the event happen.

The Corn Exchange staff were once again incredibly helpful in ensuring our requirements were met for the event, allowing us to have a technical rehearsal in the space on the Friday before the event, making provisions for our entertainment and for providing volunteer stewards on the day who assisted with guests being seated in the auditorium. A special thanks go to Emma the Front of House Supervisor and to Hilda the Technical Manager for ensuring all ran smoothly on the day and in the lead up.

The Ceremony had roughly 250 guests in attendance who enjoyed entertainment from VoxFresh at a selection of musicians from St Barts Senior Band. I would like to thank them for their performances. I would also like to thank all Councillors for their insightful and humorous speeches. Next year, I will take out the portion where Councillors are asked to stand to give their vote – we will stick to raising your hand!

The ceremony ran for 1hr 45minutes, which meant that the Church Service started later. Luckily, I was able to communicate with Brendon, the Town Hall Officer while I was backstage at the Corn Exchange where he was able to make the church aware that we were running late. Going forward, I would like to suggest that the church service begins at 12pm – this means that guests and Councillors are able to have a short comfort break before the church service, with the procession to be formed up outside of the Corn Exchange to head to the Church for 11:50am.

The Mayor's Chaplain, Revd. Gary Collins from St John's Church liaised with Revd. Will Hunter Smart at St Nicolas Church to bring together the civic service. I thank Revd. Collins, Revd. Hunter Smart and all the staff at St Nics Church for their support this year.

A reception and finger buffet was provided in St Nics Church Hall. Usually the Royal British Legion Ladies section provide the lunch for Mayor Making, however due to ill health and declining membership, this won't be an option for us moving forward. This year, a finger buffet was provided by Waitrose.

At this point, I would like to thank the Newbury Combined Cadet Force for providing us with 5 outstanding young cadets who helped support Mayor Making this year. From transporting

equipment between the Town Hall, Corn Exchange and St Nics Hall to handing out programmes, preparing the buffet lunch, serving drinks and for helping clean up – all cadets were fantastic on the day and the Mayor wrote a letter to each individual to thank them for their efforts.

Thanks are also extended to the Civic Team who were phenomenal, as always, with a special thank you to Joyce Lewis who was a very last minute stand-in for the Mayor's Attendant as he was unable to be present due to a close family bereavement. I would also like to personally thank Brendon Fierrera, our Town Hall Officer who experienced his first Mayor Making this year and was a great help on the day in helping move equipment, tidying and for providing direction to the volunteer cadets when I was unavailable.

Overall, Mayor Making 2022 was a great success with only minor changes required for 2023's event.
