## Newbury Town Council

## Public Report

To: Staff Subcommittee

Date of meeting: 13 September 2022

**Agenda item No. 4:****Flu Vaccination Vouchers for Staff and Members of Newbury Town Council**

**Decision Required: To approve** the purchase of Flu Vaccination vouchers for Staff and Members of Newbury Town Council.

**Background**

Council business requires staff and members of the Council to meet face to face with each other and with the public. A certain number of staff are required in the offices in the Town when open to the public. The regulations allowing virtual meetings have been repealed, requiring the Council to meet face-to-face and often with members of the public in attendance.

**Issues arising**

The flu virus is spread in a similar manner to Coronavirus- through droplets and contact with the virus.

According to the NHS, flu vaccination is important because:

- *while flu is unpleasant for most people, it can be dangerous and even life threatening for some people, particularly those with certain health conditions*
- *more people are likely to get flu this winter as fewer people will have built up natural immunity to it during the COVID-19 pandemic*
- *if you get flu and COVID-19 at the same time, research shows you're more likely to be seriously ill*

*Vaccination gives the best protection against flu.*

*Flu vaccines help protect against the main types of flu viruses, although there's still a chance you might get flu.*

*If you do get flu after vaccination, it's likely to be milder and not last as long.*

*Having a flu vaccine may help stop you spreading flu to other people who could be more at risk of serious problems from flu.*

**Considerations:****1. Reference to Council Strategy 2019-2024**

The Council aims to exercise best practice as an employer, promoting fairness and equality for our employees and volunteers.

**2. Legal:** the Power of General Competence enables the Council as an employer to offer this to staff and members.

**3. Financial:**

Boots are offering Flu vaccination vouchers at £12.00 each, which covers the cost of the vaccination. Every employee day lost through sickness costs the Council an average of £120. There is also the advantage of business continuity as more employees and Councillors should be available to carry on the business of the Council.

It should be noted that those over 65 years of age and anyone with a serious long-term health condition will be offered the flu vaccination free of charge through the NHS. Accordingly, 20 vouchers should be sufficient to cover all those who wish to avail of this offer from the Council.

**4. Climate/ Environmental issues**

Not applicable

**5. Crime and Disorder**

Not applicable

**6. Risk assessment (including reference to SAG if appropriate)**

The sudden loss of key staff and other staff are 2 risks identified in the Council's Strategic Risk Register. This proposal will reduce the risk of this happening throughout the coming winter.

**7. Equality and Diversity**

Not applicable

**8. Consultation**

Not required. Take up of the offer is optional.

**Conclusion/ Recommendation**

**That the Council approves the purchase of 20 vouchers for flu vaccinations for staff and members of the Council (to be allocated on a first come, first served basis.)**

**Date:** 6 September 2022.

**Newbury Town Council**

**Public Report**

To: Staff Subcommittee

Date of meeting: 13 September 2022

**Agenda item No. 5: Time Off In Lieu**

**Decision Required: To amend** employees' contracts of employment to allow overtime to be paid, where requested, rather than Time Off in Lieu.

**Background/ Introduction**

The Council operates a system of giving time off in lieu (TOIL) to officers attending meetings and other Council events outside of normal working hours for most of its current staff.

TOIL conceals the true cost of staff time outside of normal working hours and also reduces the amount of staff time available to carry out their functions. It adds to the strain of delivering services and business continuity, especially during times of high annual leave or other absences.

Some staff have indicated that they would prefer to be paid overtime for working after hours. It is recommended that staff contracts (where applicable, as this does not arise in all cases) be amended to offer this option.

**Considerations:**

**1. Reference to Council Strategy 2019-2024**

The Council aims to exercise best practice as an employer, promoting fairness and equality for our employees and volunteers.

**2. Legal:** the Power of General Competence enables the Council as an employer to offer this to staff and members.

**3. Financial:** the costs associated with this measure (estimated at £3,000 per annum, gross) would be recouped through extra staff availability, better resilience and improved business continuity.

**4. Climate/ Environmental issues**

Not applicable

**5. Crime and Disorder**

Not applicable

**6. Risk assessment (including reference to SAG if appropriate)**

This proposal will strengthen the Council's staff resources, providing better stronger resilience and improved business continuity.

**7. Equality and Diversity**

Not applicable

**8. Consultation**

Staff have been consulted. Take up of the offer of overtime is optional.

**9. Conclusion/ Recommendation**

- i) **That the Council amends employees' contracts of employment to allow overtime to be paid, where requested, rather than Time Off in Lieu.**
- ii) **That future contracts of employment offered by the council provide that hours worked after normal working time will be recompensed by payment of overtime.**
