TOWN CENTRE PARKING IF REQUIRED.

The Mayor of Newbury is delighted to invite residents and visitors to come and enjoy an evening of live music at the ACE Space, for a special fundraising gig in aid of West Berks Foodbank. This exciting event brings together local talent and community members to raise crucial funds to support local people in crisis.

Cllr Andy Moore, Mayor of Newbury, shared his excitement about the upcoming fundraiser, saying, "I'm delighted to host this evening of music and entertainment. A big thank you to the artists for coming together and supporting this event to raise funds for such a meaningful cause."

The event will take place on Friday 21st March at ACE Space in Newbury. Doors will open at 7pm. The night will feature an eclectic mix of live performances from local artists, including Sion Whiley, M&M, Lizzie Cullen and The Caskettes. A licensed bar will be available throughout the evening. Under-18s must be accompanied by an adult

Raffle tickets will be on sale at this event (to be drawn in April) and top prizes include Wimbledon Tickets, a mountain bike and a Galaxy Chromebook. All proceeds from ticket and raffle sales will go to West Berks Foodbank, ensuring they can continue their vital work of supporting those facing food insecurity in our area. Tickets are just £10 each and must be booked in advance from www.ticketsource.co.uk/mayor-of-newburys-big-gig or by contacting the Mayor's Office by email mayor@newbury.gov.uk or phone on 07538 334106.

NEWBURY IN BLOOM 2025 LAUNCHING SOON!

The much-anticipated 'Newbury in Bloom 2025' will be launched later this month! Residents, businesses, and community groups are invited to start planning their entries. The deadline for submissions is 30 May 2025, with judging scheduled to take place during the week commencing 23 June 2025. Applications will be open later in March via our website and the Town Hall.

Cllr Ian Jee, Chair of the Council's Green Spaces Working Group, expressed his enthusiasm for this year's competition saying, "We are incredibly proud of the Newbury in Bloom community and the success of the campaign over the past eight years. We encourage everyone to get involved again, and I'm excited to see the fantastic work being done by our local communities".
