| 4 | No objection | 16/03263/FUL | Newbury Athletic Club, Fifth Road, Newbury for Newbury Athletic Club | Demolition of existing Newbury Athletic Clubhouse build and construction of new clubhouse building with new access and parking layout. Demolition of existing proposed before first occupation of replacement building |
| 5 | No objection | 16/03368/FUL | Newbury Lawn Tennis Club, Poplar Place, Newbury for Newbury Tennis Club | Section 73: Variation of condition 5 'flood lighting' of previous application 15/03380/FUL: Variation of condition Extension of floodlighting from two courts to all four courts |
| 6 | <p>Objection/comments</p> <p>1. An application for the Sandleford site can only be considered in the light of the planned Sandleford site as whole, including the policy objective for 2000 homes and a traffic plan for the whole site. This is not possible from this partial application. If it were passed, it would not be possible to assess whether the overall objectives for the site will be realised.</p> <p>2. We remain of the view that for the planned number of houses, four accesses will be essential, and therefore disagree with the applicant's contention that two Monks Lane accesses will be adequate.</p> <p>3. We support the conclusion of Mr Paul Goddard, from his traffic</p> | 16/03309/OUTMAJ | Sandleford Park, Newtown Road, Newtown, Newbury for Bloor Homes and Sandleford Farm Partnership | Outline planning permission for up to 1000 new homes (Use Class C3); an 80 bed care housing facility (Use Class C2) as part of the affordable housing provision; a new 2 form entry primary school (Use Class D1); a local centre to comprise flexible commercial floor space (retail falling into use classes A1- A5 up to 2150 sq. m and business falling into use class B1a up to 200 sqm); the formation of new means of access onto Monks Lane; new open space including the laying out of a new country park; drainage infrastructure; walking and cycling infrastructure and other associated infrastructure works. Matters to be considered: Access |

modelling of the previous Bloor Homes applications, that the increased traffic expected from the site has not been adequately provided for by proposed road works. Severe congestion will arise at the roundabouts at either end of Monks Lane, in Andover Road, and on the A339.

4. Monks Lane will not be able to accommodate the construction traffic, which should be directed to the A339 access. It is not made clear that the Monks Lane road improvements and the A339 access should be scheduled so as to minimise the disturbance to neighbours from the construction traffic.

5. A safety audit in regard to the high level of pedestrian and cyclist traffic to and from Park House, St Barts, Falkland School, St George's Pre-School, and Newbury College has not been carried out, nor have mitigation measures for that traffic been proposed. We have requested this action on several previous occasions.

6. No air quality mitigation measures for the A339 are proposed.

7. A new Primary School must be in place in time to accommodate the first residents on the site. This is not evidently to be the case.

In addition to these objections, the following remarks continue from the previous applications but are outside the scope of this outline application. They are nevertheless important.

8. A development such as this should be a landmark in architectural

|---|---|-------------------------------------|---|---|
| | <p>design, which will fit in with the exceptional Sandford environment and be a source of pride for Newbury.</p> <p>9. Affordable accommodation should be pepper-potted throughout the estate. The planned 40% affordable homes should not include the suggested care home.</p> <p>10. The Monks Lane development should be distinguished by 4 and 5 bedroom houses, with other houses set back from them.</p> <p>11. There should be adequate parking to accommodate expected visitors to the Country Park from outside the estate, located so as to encourage its use instead of parking in residential streets.</p> <p>12. The additional parking which will be required for Falkland Surgery has not been provided for.</p> <p>13. Cycle and pedestrian routes should be integrated with cycle and pedestrian routes leading to the Town Centre.</p> <p>Although the Warren Road exit is not included in this application, we wish to repeat our concerns that it could not accommodate the traffic expected to travel west and would obstruct local traffic to schools, shops, and community centres. We re-state our recommendation for an entirely new western access south of Garden Close Lane and reaching the A343 close to Wash Water, to connect with the A34.</p> | | | |

Also, no assessment of the noise effects on neighbours has been made. Before implementing this project, the applicant should both have applied for planning permission and have consulted neighbours on its effects, neither of which occurred. | | John The Evangelist C.E Nursery and Infant School | new canopy structure and woodland hut. |
| 8 | Support/comment: The planned repairs promise a good quality outcome. We hope that in future the Stone Building will be maintained more consistently. | 16/03038/LBC2 | The Stone Building, The Wharf, Newbury for West Berkshire Council | Proposed replacement of existing slate Roof covering, chimney stack repairs, and incorporation of insulation of the roof void. |
| 9 | No objection | 16/03240/HOUSE | 94 Kings Road, Newbury for Mr & Mrs J Cole | Proposed singles storey rear extension, loft space conversion and internal alteration |
| 10 | We have no objection in principle. However, we are concerned at the proposed reduction of car parking from 60 places to 20, which seems inadequate for a building on a trading estate and risks an increase in on-street parking. | 16/03137/FUL | Abacus Holdings, Abacus House, Bone Lane, Newbury for CSS Recycling | Change of use from a B1 (Business) use to a B1 (Business), B2 (General Industrial) and B8 (Storage and Distribution). The addition of 3 no. roller shutter doors plus the addition of signage and fencing to match existing |
| 11 | No Comment | 16/03138/ADV | Abacus Holdings, Abacus House, Bone Lane, Newbury for CSS Recycling | Proposed 2 x Fascia Sign |
| 12 | No objection | 16/03314/ADV | B S T Fitness, Park Way, Newbury for Whitbread PLC | 4 x Premier Inn brand signs for new hotel |
| 13 | No objection/comment: However, we recommend that to avoid overlooking of the neighbour, the frosted glass in the present bathroom should be retained in the bedroom which is planned to replace it. | 16/03370/HOUSE | 11 Lampacres, Shaw, Newbury for Mr & Mrs Brown | Proposed two-storey rear extension and single storey side extension |
