Committee recommends that West Berkshire District Council discuss with them their parking requirements. The Committee further suggested that the grass verges could be converted to parking spaces or other arrangements made.

Re Area code: AN 75 the Committee noted that Parking has taken place on the south side of the Railway line for some time and requested that the new "No waiting at any time" rule at that point be clearly signed to ensure that it is observed.

SCHEDULE OF PLANNING APPLICATIONS – RESOLUTIONS

4	No objection	17/02929/HOUSE	41 Russell Road, Newbury for Chris Leith	Single storey rear extension following demolition of small utility extension. Construction of garden walls and raised paved area
5	No objection	17/02828/HOUSE	5 Berkeley Road, Newbury for James & Maxine Potter	Small single storey extension to the rear of the property. The extension will house a utility and WC
6	No objection	17/02911/HOUSE	92 Craven Road, Newbury for Mr & Mrs Tomkins	Proposed rear single storey extension and associated internal alterations
7	No objection/comment: We have no objection, on the grounds that the relations between the applicant and the owner of 48 Bartholomew Street are largely a civil matter. However, we are concerned on the possible effects on the recent planning consent 17/02287, which involves access to the rear of No. 48. At present, the rear of No. 48 is accessed via land to the rear of Nos 49/49A. The present proposal by No. 49A to erect a fence at the border with No. 48 will apparently deny all access whether by car, bicycle, or pedestrians to the rear of No. 48. It appears that this may have implications with regard to parking, cycle storage, access, fire exit, and waste disposal for the	17/03018/FUL	49A Bartholomew Street, Newbury for Kate Daily	New fence

8	No objection	17/03003/LBC2	64 Bartholomew Street, Newbury for Hillier and Wilson (Estate Agents)	Provision of disabled access toilet accommodation in existing office building

10	Objection/comment: This is a fine Georgian building dating from about 1740, Grade II listed. We consider that the proposed new logos will be out of keeping with the building and the Conservation Area, and be incompatible with the Supplementary Planning Guidance on Shopfronts and Signs	17/02902/ADV	92 Northbrook Street, Newbury for Vision Express Ltd	New logo to fascia and new logo to projecting sign
11	No objection	17/02936/HOUSE	119 Boundary Road, Newbury for Mr Curtis	Demolition of existing lean to/single storey extension and replacement single storey rear extension and loft conversion with rear dormer
12	No objection/comment: This is one of the most important historic buildings in Newbury, the house of John Winchcombe II ("Jack of Newbury"), the major figure in the 16th century Newbury cloth trade and a person of national standing. It is Grade II* listed. We have of course no objection to the repair, but consider it essential that it is carried out by a specialist contractor fully qualified to carry out repairs to important historic buildings. The earlier restoration planned in 2013 started off on a good standard, but was completed by a subcontractor in 2014 lacking the necessary expertise, with results which are now visible. We therefore recommend that planning consent is only given on condition that such a qualified contractor is hired and remains to complete the restoration project. Traditional methods of	17/02692/LBC2	24 Northbrook Street, Newbury for Colliers International	To alter the building by way of structural repairs due to structural movement occurring to the property. 13	No objection	17/02771/LBC2	The Robin Hood, 110 London Road, Newbury for Mitchells and Butlers	Repair of retaining wall at north west boundary of the curtilage of property
